## **Definitions:**

**CWSC:** Gundaroo Community Association (GCA) **Community Website Sub-committee**

**Approved business:** Approved businesses are those that have a clear connection to the village and surrounding areas either because of location or regular services provided in/to the village or to people from the community. Final decision on approval will be made by the Community Website Sub-committee (CWSC). Notional location is within a 15-kilometre radius of Gundaroo. ABN required.

**Approved Community Groups:** Non-profit organisation based in Gundaroo. Final decision on approval will be made by the Community Website Sub-committee (CWSC).

**Directory listing:** Free but directory entries are at the discretion of the CWSC.

**Featured Page:** A webpage which is a master overview page that acts as a primary landing or home page with key details on all aspects of the organisation. This can suit a highly active business for broadcasting key messages to the community in addition to their own website, but also for a community group or small businesses that may not have a website e.g. Special events, menus, forward advertising, operational changes, contact updates.

**Important notice section:** An information area on Featured pages for Stop press or key announcements such as changes in operation (e.g. last minute announcements, Special meetings/dates - AGMs etc) either temporary or permanent. Notices older than a month may be deleted at the discretion of CWSC.

**Rich Media:** [www.gundaroo.org](http://www.gundaroo.org) allows images/video and/or an attachment – may be limited by GCA on size and quantity – i.e. and a guide a max of 5 media files and under 50Mb in total.

**Links to other special pages** such as [What's Trending](#) and/or the [Save the Date\(s\) Page](#) are at the discretion of the CWSC. These can further broadcast articles linked to a Business or a Community Group. What's Trending is an extended online area for highlighting a special event. For example, a community rally or festival, or a Rural Fire Service awareness event. These pages are usually cross-linked to an organisation's Featured Page enabling the public to FIND information through public searches such as Google as well as via the Directory searches.

**Updates to website listings:** An organisation can [make a request to have their listings updated](#) at regular intervals using the one Application Form. All changes are vetted and performed by CWSC admin. There are no separate costs for updates, they are performed free by CWSC.

**Contact us:** CWSC on matters relating to the Gundaroo Community Website or the Gundaroo Gazette can be contacted via the [Contact Page](#) at [www.gundaroo.org](http://www.gundaroo.org).
